

User Manual

LiberNovo StepSync Footrest for OC1-PRO (Black)

Description

The LiberNovo StepSync for OC1-PRO is an ergonomic footrest designed specifically for the LiberNovo OC1-PRO chair, which enhances comfort during long hours of desk work and moments of relaxation. The ergonomic 10° incline promotes proper leg positioning and improves circulation, helping to reduce fatigue. The product offers two height settings, allowing it to be adjusted to accommodate users between 153 and 185 cm in height. Its stable construction, high-quality materials, and the option to use the footrest while reclining the chair up to 160° ensure comfort both while working and resting.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Improper use may also cause hazards. Read the user manual carefully and keep it for future reference. Always read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or does not work properly), stop using it and secure it against unintended use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If in doubt about the operation or safety of the product, consult a qualified specialist.
7. If you have any questions that are not answered in this manual, please contact our customer service (e-mail: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
